KHYBER PAKHTUNKHWA PUBLIC SERVICE COMMISSION

MEMORANDUM

MR GOVERNOR,

As per requirement of Section 9 of the Khyber Pakhtunkhwa Public Service Commission Ordinance, 1978, the Commission submits a detailed report about its performance to the worthy Governor on yearly basis. The report of the Khyber Pakhtunkhwa Public Service Commission, hereinafter called the Commission, for the year 2021 is prepared and presented as per provision of Khyber Pakhtunkhwa Public Service Commission Ordinance, 1978.

2. During the year under report, the Commission interviewed 7595 candidates against 1497 posts and sent recommendations of 1048 candidates to the government for appointment. 449 posts remained leftover mainly due to non availability of eligible candidates out of which 354 and 34 posts were requisitioned by Health Department and Elementary & Secondary Education Department respectively. Other details are at Appendix-B.

3. As per procedure of the Commission and requirements of the Khyber Pakhtunkhwa Civil Servants (Appointment, Promotions and Transfer) Rules, 1989 all the posts were advertised in the leading newspapers as well as uploaded on the website of the Commission. Total of 4959 posts in different pay scales including 1900 posts of lecturers in various subjects for Provincial Government departments were advertised. It is pertinent to mention that 135 posts advertised for special quotas i.e.

Female, Minority and Disable Quota. Total candidates who have applied against these posts were 350415. Details are at Appendix-C.

4. The Commission conducted Screening Test for 25385 candidates for the posts of Tehsildar/Naib Tehsildar. 1574 candidates were shortlisted for written examination. The Commission also conducted three competitive examinations for the posts of Civil Judges-cum-Judicial Magistrate, Tehsildar/ Naib Tehsildar and PMS In-Service Quota for 1418, 1574 and 256 candidates respectively, detail thereof is given in Chapter-II.

5. The Commission conducted 98 Ability Tests for 167998 candidates, 2 Physical Tests for 2344 candidates, 9 Practical Tests for 692 candidates and 2 Psychological Tests for 1246 candidates. Details may be perused in Chapter-II.

6. During the year 2021, total 84 cases have been decided wherein 81 were decided in favour of PSC while rests of the 3 cases were decided in favour of petitioners. Moreover, in the year, total of 100 new cases in different courts were instituted against PSC. A total of three hundred and sixty one (361) cases are pending including 40 cases in the Supreme Court of Pakistan, 232 in Peshawar High Court and in its benches, 64 before Khyber Pakhtunkhwa Service Tribunal, 18 cases before Provincial Ombudsman and 7 cases in subordinate Civil Courts as per details given in Chapter-IV.

7. KP PSC is rendering valuable services to Provincial Government by providing quality human resource through fair, just and in a transparent way. It makes recruitments from BPS-14 to BPS-20 for all Provincial Government departments making them more professional,

efficient by providing dynamic personnel, ultimately strengthening the departmental-machinery

8. Employees of all departments whether provincial or federal have been allowed the facility of Government residential accommodations but the Commission has been marginalized. Its employees have neither been provided allotment rights in the provincial government residential accommodations nor has separate residential accommodation colony. Most of its staffs are non-local, belong to far-flung areas of the province reside in rented-houses and private hostels. In these sky rocketing prices, it is beyond their control to pay rents and meet the expenses of their families. The Honourable Governor Khyber Pakhtunkhwa, being the competent authority of the Commission is expected to show ardent interest in solving this grave issue. The co-operation and collaboration of his Excellency would be highly appreciated.

9. The Commission during the current financial year 2021-22 got a scheme titled "Installation of Optical Fiber Networking, CBT and Upgradation of Existing IT System of Khyber Pakhtunkhwa Public Service Commission" approved. The scheme was reflected in ADP 2021-22 at S.No. 546-210254 and approved by the DDWP on 28.07.2021 at a total cost of Rs.94.58 million. However, due to price hike affecting all commodities in general and IT equipments in particular rendered the approved PC-I deficient to procure the IT equipments as per the rates so approved in the PC-I. Consequently, the Finance Department was approached for guidance. In light of the Finance Department advice, revised PC-I was submitted to the Administration Department for early approval of the same by the competent forum. After procurement of the IT equipments and completion of the scheme, the working efficiency of PSC would be improved to a great extent.

10. The remuneration for services of the examiner, advisor and other supervising/ invigilating staff of the Khyber Pakhtunkhwa Public Service Commission were fixed by the Finance Department in the year 2017. Since then no enhancement in rates of remuneration took place. These rates are not adequate keeping in view the inflation and the onerous nature of the duty performed by them. The low rates of remuneration cause enormous hurdles in reservation of halls for conducting tests/ examinations. The reputed professors of the universities also avoid the Commission's duty as Advisor. It is therefore, recommended that the remuneration of supervising/invigilating staff, paper setter/ examiners and advisors may be revised to avail their valuable expertise in their respective field. The Finance Department has already been requested in this regard. The existing and proposed rates of remuneration may be perused at Appendix D.

11. The Commission for all its budgetary needs is dependent on the annual budget released by the Finance Department through Administration Department. In various budget heads, the funds are surrendered at the end of financial year and at the same time funds so released under other heads of account are not sufficient to meet the requirements of the Commission. The major functions of recruitment/ examinations of PSC is hindered due to lack of requisite funds at the point of time most needed specially in hiring examination halls, furniture and above all timely payment of remuneration to the invigilating staff. It is therefore, proposed that the PSC may be delegated special powers to re-appropriate funds from one budget head to another on case to case basis for smooth undertaking/ executing of the primary functions of PSC.

12. PSC confronts the issue of Screening Test for various competitive examinations where huge numbers of applications are received. Due to lack of human and financial resources it becomes very difficult for

the Commission to conduct competitive examination smoothly for all candidates. Screening Test is the best tool that can improve the quality of exam by enhancing the passing ratio and filtering non serious candidates. The Commission will work out modalities for introducing screening tests as has been done by the Federal Public Service Commission (FPSC) and in line with the directives of the Provincial Cabinet by removing legal lacunae in KP PSC rules and regulations.

13. Khyber Pakhtunkhwa Public Service Commission deeply extends its gratitude to Provincial Government for support and sponsorship. At the same time lauds the untiring efforts of advisors, subject specialists, departmental representatives and paper setters, who provide valuable services to the Commission in finding right person for the right position. The Commission looks forward to their suggestions and opinions for bringing improvement in its system.

(Capt. Retd. Sikander Qayyum)
Chairman KP PSC

CHAPTER-I

***COMPOSITION, FUNCTIONS, BUDGET
AND RECEIPTS, NOMINATION OF
MEMBERS FOR SELECTION BOARDS
OF UNIVERSITIES***

CHAPTER – I

COMPOSITION, FUNCTIONS, BUDGET, RECEIPTS, NOMINATION OF MEMBERS FOR SELECTION BOARDS OF UNIVERSITIES

COMPOSITION

The composition of the Commission during currency of the report was as under: -

S#	Name	Designation	Tenure	
			From	To
1.	Chairman Faridullah Khan	Chairman	28.04.2017	20.09.2021
2.	Prof: Dr Rukhsana Javed	Member	21.06.2016	01.02.2021
3.	Mr. Qudratullah Khan	Member	21.04.2017	06.03.2021
4.	Mr. Manzoor ul Haq	Member	02.05.2017	13.01.2022
5.	Mr Kamran Zeb Khan	Member	02.05.2017	24.04.2022
6.	Prof: Dr Muhammad Nawaz	Member	15.11.2017	14.11.2022
7.	Mr. Muhammad Younis Javed	Member	27.03.2019	31.01.2022
8.	Mr. Sharif Ahmad	Member	11.07.2019	08.07.2023
9.	Mr. Syed Muhammad Javed	Member	05.05.2020	09.03.2022
10.	Mr. Kifayat Ullah	Member	30.09.2020	24.05.2022
11.	Mr. Niaz Sarwar Baloch	Member	20.10.2020	26.01.2023
12.	Mr. Subhan Sher	Member	19.03.2021	19.10.2023

2. The Khyber Pakhtunkhwa Public Service Commission consists of twelve members including the Chairman. During the year under report, two honourable members, Professor Dr. Rukhsana Javed and

Mr. Qudratullah Khan relinquished the charge of their offices on 01/02/2021 and 06/03/2021 respectively. The Commission thankfully acknowledges their valuable services and dedication to make KP PSC proud of its highest standard on merit, transparency, professionalism and efficacy. Mr. Subhan Sher, retired District and Session Judge joined the Commission as new member on 19 March, 2021. The Commission welcomed him and expected him the highest standard of integrity, professionalism and commitment to the sacred duty as Member KPPSC.

11.	Engr: Niaz Sarwar Baloch Member-X	<ul style="list-style-type: none"> • Gomal University, D.I.Khan.

CHAPTER-II

INITIAL RECRUITMENT

CHAPTER – II

INITIAL RECRUITMENT

The posts requisitioned to the Commission for selection are either syllabus based or non-syllabus based posts. In case of syllabus based posts, the candidates are first put through the written examination prescribed in the syllabus by the department concerned. After qualifying the written examination with the required standard of proficiency, the candidates are called for interview and subsequently recommended for appointment, based on their competitive merit and zonal allocation. In case of non-syllabus based recruitment, no standard is prescribed by the department in the Service Rules. If the number of applicants is disproportionate to the number of vacancies then screening test is conducted for short listing the candidates. Subsequently interviews are conducted and their merit is determined on the basis of their academic record and marks obtained in interview. If the number of candidates is limited as compared to number of posts then interviews are arranged without going through the process of screening test. The qualified candidates for such posts are recommended in accordance with their merit order and zonal allocation.

2. During the year 2021, the Commission recommended **1048** candidates for appointment against various posts for different Provincial Government Departments (**Appendix-B**). The Health Department proved a big client where **3529** candidates were interviewed against **749** posts and **387** were recommended while **362** posts could not be filled due to non availability of suitable candidates. Elementary and Secondary Education Department remained second which received **135** recommendations against **169** posts.

3. The Commission conducted the following tests and examinations during the year under report: -

A. DETAILS OF COMPETITIVE EXAMINATIONS HELD DURING 2021

S. No.	Nomenclature of Post	Department	No. of Posts	No. of Shortlisted candidates	Date of Test

E. PSYCHOLOGICAL TESTS/ ASSESSMENT

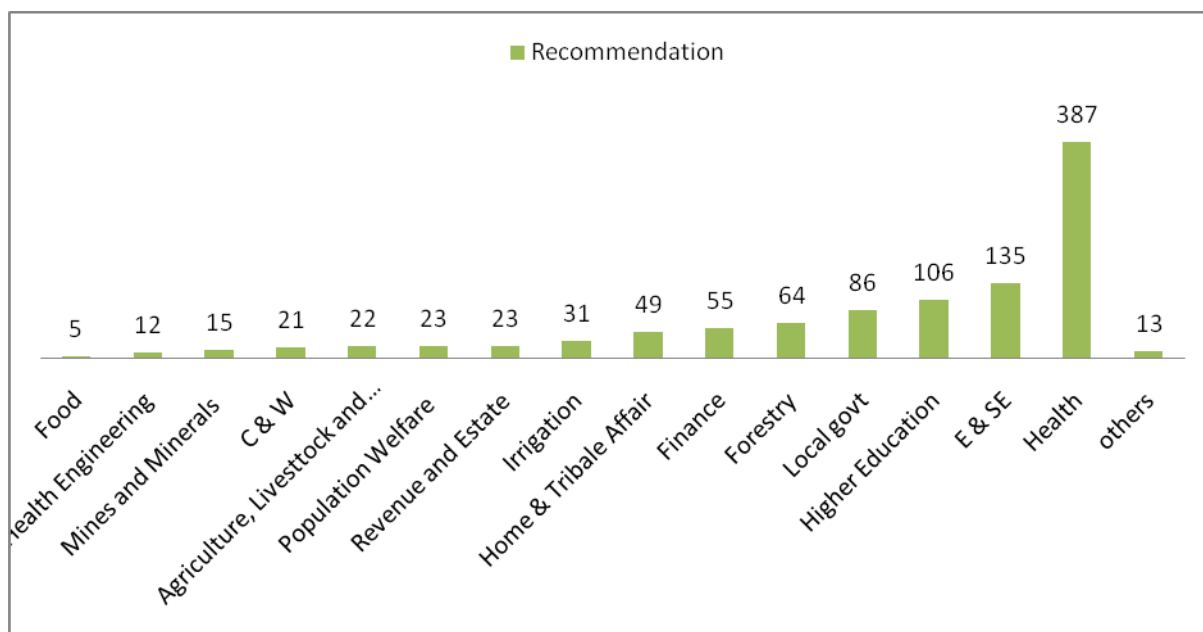

4. The Psychology Wing is responsible to check the suitability of candidates for the respective post(s) and to assess whether the candidates are mentally sound to carry out the required duties. It weighs the candidates in the areas of intellectual level, emotional stability, competency, strong will-power and leadership qualities during psychological analysis. It adopts various techniques and tools i.e. psychological aptitude test, group discussion and individual interview and prepares personality assessment report of each individual. This personality assessment report so prepared is considered during the final interview.

5. For the said purpose, the Wing assessed 1043 candidates for the post of Assistant Sub Inspector in Police Department. The Psychology Wing also arranged the Psychological Aptitude Test on 7th December, 2021 and Psychological Individual Interview from 13th December to 30th December, 2021 for 203 candidates who passed the written examination for the posts of Civil Judges-cum-Judicial Magistrate.

***CASES OF CIVIL LITIGATION
WHEREIN THE COMMISSION WAS
MADE A PARTY***

CHAPTER - IV

CASES OF CIVIL LITIGATION WHEREIN THE COMMISSION WAS MADE A PARTY

With legal team in place headed by a Member of the Commission who retired as a Judge the legal cases are pursued in an effective way. During the year 2021, following numbers of cases were pending before various courts: -

PENDING CASES IN VARIOUS COURTS

S. No	Name of Court	Number of Cases
1.	Supreme Court of Pakistan	40
2.	Peshawar High Court	146
3.	Peshawar High Court Abbottabad Bench	32
4.	Peshawar High Court Mingora Bench	25
5.	Peshawar High Court Bannu Bench	18
6.	Peshawar High Court D.I.Khan Bench	11
7.	Khyber Pakhtunkhwa Service Tribunal	64
8.	Provincial Ombudsman	18
9.	Civil Courts	7
	Total	361

2. Total **84** cases were decided wherein **81** were decided in favour of PSC while the rest **3** cases decided in favour of petitioners. Moreover, in the year, total **100** new cases in different courts were instituted against PSC. Total of three hundred and sixty one (**361**) cases are pending against Khyber Pakhtunkhwa Public Service Commission in various courts till 31.12.2021. Details are given in **Appendix-E**.

CHAPTER-V

SUGGESTIONS FOR IMPROVEMENT IN

EDUCATIONAL STANDARDS AND

SERVICE EFFICIENCY IN

KHYBER PAKHTUNKHWA

CHAPTER - V

SUGGESTIONS OF THE COMMISSION FOR IMPROVEMENT IN EDUCATIONAL STANDARD AND SERVICE EFFICIENCY

As per clause (b) of rule 7 of the Khyber Pakhtunkhwa Public Service Commission (Functions) Rules, 1983, the Commission is required to include any suggestion in its Annual Report considered appropriate for improvement of educational standard and service efficiency. Accordingly, the Commission in its Annual Report includes a chapter on “improvement in educational standards” on the basis of the educational level of the candidates noticed in the tests and interviews conducted by the Commission during the year.

2. It would not be out of place to claim that no other institution or organization is placed in a better position than the KPK PSC to argue on the quality of education being imparted by the state to its citizens both through the public and private sector institutions. This is because the commission is privileged by virtue of its mandate to recommend appointments against posts from BS-14 and above through an intensive process involving screening, examination and interviewing the candidates. As such the commission’s reflection on the prevailing standards of education may be given due consideration in planning future of educational system in the province.

3. Given the above background, the commission is better positioned to share its concern over the deterioration of standard of education both in public and private sector. The entire education system ignores the importance and need of environment. We lack a conducive environment, both inside and outside of classroom. There is a substantial gap between students and teachers. Students remain aloof of the system. Majority of phobias and fears result from this. They need to be heard, counseled and guided. At university level, a student does not know the essence of his subject. A student of civil engineering could not define the word “Civil”.

4. Teachers must ensure an understanding of subject matter at all levels. Teachers' recruitment and promotion at higher level have been blamed for politicization and favouritism. That needs to be set with a test pattern of competitive examination at level of recruitment and not limiting promotion to publications, merely. Society need market oriented lot not grades oriented. For that the entire system needs a trace and fix system at all levels.

5. In case of interviews for post graduate level candidates offered some novel and amazing replies to simple questions which illustrates the level of their knowledge: -

- i. Ignorance about the name of President of the country and the Chief Justice, number of districts in the province and population of the province was not rare in the candidates.
- ii. According to one candidate, natural gas has two types; sui gas and northern gas.
- iii. According to one doctor, "dying declaration" means to declare a person dead while according to another "dying declaration" is the recent Kashmir annexation declaration by India".
- iv. One Doctor who was undertaking specialization in surgery could not mention the number of muscles in human body. Ordinary doctors couldn't answer such questions repeated for several days.
- v. According to one foreign MBBS degree holder "Tissue is smallest body of the living things". He was not clear as to whether a cell is bigger than molecule or otherwise.
- vi. According to a candidate for the post of Assistant Prof: Health and Physical Education, human body has "700 bones".
- vii. According to a candidate for the post of Assistant Prof: H&PE, "E&D Rules" means "Efficiency and Deficit Rules". According to another one, this abbreviation means "Employees Department Rules". Another mentioned it as Efficiency and Deficiency Rules". Another explained it as "Efficatory and Defecatory Rules.
- viii. According to one candidate in interviews for the posts of Assistant Professor Zoology, Typhoid is Malaria caused by protozoa.

- ix. According to another candidate, Euglena is a “Carnivorous Protozoa” and that national animal of Pakistan is “Hud Hud”.
- x. In interviews for the posts of Assistant Prof: Urdu, none of the 60 candidates including PhD and M.Phil holders could count 5 words of Urdu language which are of Urdu origin not borrowed from some other language.
- xi. According to one candidate for the post of Assistant Prof: Urdu BPS-18, example of “Jama-ul_Jama” is Jazeera, Jazair and Al-jazair. This candidate admitted that he had never studied “Shikwa and Jawab e Shekwa” of Allama Iqbal.
- xii. According to a master degree holder candidate for the post of Lecturer Physics, sun has no gravity because it consists of plasma. All except only 2,3 of hundreds of such candidates knew nothing about any state of matter beyond four, solid, liquid, gas and plasma. No such candidate could properly explain why -273°C , 0°Kelvin temperature is considered as absolute zero (i.e., 0°K) Most of these candidates could not explain simple refrigeration process.
- xiii. According to an M.Phil in Computer Science candidate, in 1945 USA used super computer for its Nevada first nuclear test which was impossible without such a computer.
- xiv. In interviews held for the posts of ASDEO/ ADEO, a candidate with MA English qualification couldn't explain meaning of “white elephant” and “black sheep”.

6. Conceptual approach rather than memorizing lessons needs to be promoted in the educational institutions. Students should be encouraged to take active part in co-curricular activities also. Learning through experience or research is a best tool for impart knowledge to the learners.

7. Most of the Universities have neither adequate research facilities nor they give any importance to research work in the relevant field of studies. Research must be productivity oriented. Evaluation at Master's level need a quality check to exclude copy pasting *nature*. Research should be important component of studies at Mater's level so as to upgrade the standard of education to bring it at a level nearer to International standards. Research inculcates creativity in the students, enhances their knowledge and skills and creates a good literature / reading-material in the subject, if properly supervised and guided by the concerned scholars. The University of Peshawar and perhaps other universities also, instead of research

work allows one additional paper in the subjects at Master's level which factor needs to be rationalized and research made mandatory for every subject at Master's level.

8. The Universities are allowing private examinations in many subjects in which no laboratory or practical experimental work is involved. Such examinations are passed through selective studies and memorization without completing the course contents or knowing its intricacies. The Commission has noticed a lot of weaknesses in students getting Master's Degrees as private students in comparison with regular Universities' students. The universities are required to carry out a careful analysis of the issue and should evolve a system where under private candidates can be awarded degrees only when they attain the required educational standard.

9. The availability of pre-prepared notes (Notes Culture) at College and University level dissuade the students from an in-depth study of the subject. The teachers give them the Notes on important questions likely to be set in the examination papers which are memorized by the students and they get through the examinations without completing the courses / syllabus. This culture, which is spreading day-by-day, is designed to get the students passed through the examination but it does not encourage them to obtain educational excellence. The practice therefore needs to be curbed and the concerned authorities should evolve a system of examination so that the teachers complete the courses in a given year. They should also distribute the courses on working days. The principle of the schools/ colleges must keep regard of distribution of work and evolve a monitoring system to ensure that the courses are completed in time.

10. Education is imparted to the youth in the Province in four tiers i.e. elementary, secondary, college and university levels. It has been noticed that the teachers complain at each level that they have to teach the basics of the subjects which the students should have studied at the lower level. There is no coordination between the University and College, College and Secondary, Secondary and Elementary levels for the purpose of syllabi teaching methodologies and educational pursuits are being carried out in isolation. The educational system

needs close coordination and linkages between all its tiers. In this connection, not only review of the syllabi will be required but refresher courses of 15 days duration are needed for college lecturers in the universities and for school teachers in the college during vacations which will improve the teaching skills of teachers. Successful completion of a Refresher Course may be made mandatory for elevation of the teachers to the next higher position / grade. The courses could be arranged with a minimum cost in the shape of some honoraria to the master trainers and grant of normal TA / DA to the course attendants.

11. There would be many stakeholders in this process. The Government may, therefore, consider to constitute a Task Force of all stakeholders, concerned authorities and educationists to address the issues raised above and many other points connected with the subject matter and to recommend some practical measures to be taken for improvement of educational standards and efficiencies in the Province.
